

DOG FRIENDY TAPROOM RULES

ENFORCED AT ALL TIMES

1. Only canines are allowed in the Taproom, no other pets (sorry cat lady).
2. Dogs must remain clear of the walk ways. Due to space constraints and safety concerns, it is best to leave larger breeds at home.
3. Nobody wants a hair in their beer. It is best to leave shedding dogs at home.
4. Dogs shall not be allowed to approach other patrons unless warranted.
5. Barking is prohibited, if it becomes repetitive, we have to ask your pooch to leave.
6. Dogs must be on a non-retractable leash that is 5' in length max.
7. All dogs must be fully house trained. Seriously.
8. A collar must be worn with an updated license and/or vaccination tag.
9. Dangerous or potentially dangerous dogs will not be allowed in the Taproom. It is a tight space. If your dog shows signs of aggression, they will be asked to leave.
10. Dogs are not allowed on furniture and cannot come in contact with service ware.

We must kindly ask patrons who cannot comply with this policy to leave. Dog owners must supervise and maintain control of their pooch at all times. You are responsible for your dog's mess.
